

R E M A R K S

The specification has been amended at page 1 to identify that this application is a U.S. National Phase Application under 35 USC 371 of International Application PCT/JP2003/010062.

Claim 1 has been amended to include the limitations of claims 2 and 3. Claim 4 has been amended to delete the multiple dependency thereof. The specification has also been amended. The amendments to the specification and claims are the same as in the Article 34 Amendment filed in the PCT International Application.

Fig. 7C has been amended to correct an error. This correction is supported at page 16, lines 8-9 of the specification.

No new matter has been added. It is requested that the amendments to the specification, claims and drawings be approved and entered.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned at the telephone number given below for prompt action.

Respectfully submitted,
